

MC38-hCD79B-Tg

Strain Information

Cat. NO.	NMC-230078
Cell Line	MC38-hCD79B-Tg
Strain State	Validation of target gene expression
Model	CD79B gene humanized MC38 cell line
Description	*Literature published using this strain should indicate: MC38-hCD79B-Tg cell line (Cat. NO. NMC-230078) was purchased from Shanghai Model Organisms Center, Inc..

Validation Data

No data
