

MC38-hCLDN 18.2 (2)

Strain Information

Cat. NO.	NMC-230110
Cell Line	
Strain State	Validation of target gene expression completed
Model	CLDN18.2 gene humanized mouse cell line of MC38
Description	*Literature published using this strain should indicate: MC38-hCLDN 18.2 (2) cell line (Cat. NO. NMC-230110) was purchased from Shanghai Model Organisms Center, Inc..

Validation Data

No data
