

Tnni3k-Flox

Nomenclature	C57BL/6Smoc- <i>Tnni3k</i> ^{em1(flox)Smoc}
Cat. NO.	TBD
Strain State	Developing

Gene Summary

Gene Symbol Tnni3k	Synonyms	Cark, D830019J24Rik
	NCBI ID	435766
	MGI ID	2443276
	Ensembl ID	ENSMUSG00000040086
	Human Ortholog	TNNI3K

Model Description

These mice carry loxP sites flanking target exons of Tnni3k gene. When crossed with a Cre recombinase-expressing strain, this strain is useful in eliminating tissue-specific conditional expression of Tnni3k gene.

*Literature published using this strain should indicate: Tnni3k-Flox mice (Cat. NO. TBD) were purchased from Shanghai Model Organisms Center, Inc..

Validation Data

No data
