

MC38-hCLDN 18.2

Strain Information

Cat. NO.	NM-S13-TM10
Cell Line	
Strain State	Validation of tumorigenic capacity completed
Model	These transgenic cells carry humanized CLAUDIN 18.2.
Description	*Literature published using this strain should indicate: MC38-hCLDN 18.2 cell line (Cat. NO. NM-S13-TM10) was purchased from Shanghai Model Organisms Center, Inc..

Validation Data

No data
